

A Place Apart

ANNUAL REPORT

From the Executive Director

By Kevin Moomaw

At Shrine Mont we often talk about our mission – To be “A Place Apart” – where our guests can find peace, serenity and community while staying with us. Another key component of our mission

Kevin Moomaw

statement is that we are here so “All may grow in the grace of God.” Shrine Mont has worked to fulfill that mission through our ministry of welcoming and hospitality for anyone who wants to stay with us. This has never been more apparent than in the past two years.

During 2021, Shrine Mont hosted a number of new groups, families, and individuals who were looking for a safe place to gather and spend time away from the chaos of day-to-day life. We were blessed to welcome these new folks and add them to a growing number of Shrine Mont enthusiasts returning year after year so that we can take care of them.

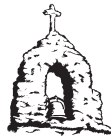

Last year also showed how many care for Shrine Mont even if they are unable to be with us. Donations in 2021 surpassed any year ever! As you will see in this report of donors, the sheer

number of donors nearly doubled the numbers before the pandemic. All of us at Shrine Mont are overwhelmed by the care and generosity you demonstrated through this giving. We are hopeful that 2022 will be a better year for our business and many of you who have not been in the past two years will return and meet those who are new to the family.

In three years, Shrine Mont will celebrate the 100th anniversary of the consecration of the Cathedral Shrine of the Transfiguration marking 100 years of service to “All.” We are looking forward to being with you here and in your community in 2025 as we celebrate our wonderful “Place Apart” and prepare for the next century of welcoming you and the generations to come.

Kevin Moomaw
Executive Director

Established in 2005 the Transfiguration Society recognizes those who have included Shrine Mont on their estate plans. We extend our appreciation to those individuals who have notified Shrine Mont of their bequests and planned gifts, which will support our mission for generations to come and ensure Shrine Mont's ability to serve as "A Place Apart." If you have remembered Shrine Mont in your estate plans or wish to have more information about planned giving opportunities at Shrine Mont please contact Kirk Gibson, Director of Development.
